Subject: Status of Large Mine Review, Red Dome Inc., Red Dome, M/027/032,
Millard County, Utah

Dear Mr. Anderson:

The Division is working on finalizing our review of your last two submittals concerning the Large Mine Plan Review. The Division is assuming your submittal of October 28, 2005 and the map and one page response of April 10, 2005 was part of your response to our last review document of July 14, 2005. The Division is obtaining historical aerial photos to document the post law disturbance and reclamation responsibility.

The Division will transmit our review once we obtain the aerial photos and have time to analyze them.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
